GAME IMAGE

UPLOAD IMAGE

Image should be square and in .png, .jpg or .bmp formats.

Game Image: An image allows custom game branding and also makes it easier for your participants to find it.

GAME NAME

1 - Quina Library Scavenger Hunt

32 / 60 Characters

Game Name: Your participants will use this to identify your game inside the app. Make it memorable!

GAME DESCRIPTION

Use your library skills to locate books and information in our AMS media center.

Game Description: The description also helps to identify the game, but can be used to describe game rules and excite participants too (e.g. 'Winner gets free coffee for a week!').

Participants

Set whether participants should compete in teams or individually.

Game Mode

(•) Teams ( ) Individual Players

Participants can play by downloading our mobile application and searching for your game by name. Step by step instructions are available here.

Teams: This game mode is for when you want participants to play as a member of a team instead of individually.

When joining the game, participants are taken to a Team Lobby to either (a) join an existing team, or (b) create their own. If desired, you can also pre-create some teams below.
