

CORPORATE DAYS AND EVENTS

at Lee Valley VeloPark

An iconic and outstanding setting
for your next event.

From taking the spotlight in the Track Centre to speeding round the track in our fastest lap competitions. We have a range of concourse pods and meeting spaces to meet your needs, combine spaces or use multiple areas of the venue to create the perfect day. Your team or clients will be inspired at our iconic velodrome where records are broken and medals are won!

Get the team together for some fun as they master the track in one of our experience sessions and battle it out to see who's the fastest in a flying lap competition.

Here's just a few examples of our track experience packages:

TRACK CYCLING DAY

- Refreshments on arrival
- Two hours on the track led by our qualified coaches – you'll learn the fundamentals of track cycling
- Compete against each other to see who's the fastest in our flying lap challenge - this uses our in-house timing system so there's no room for arguments!
- Full safety briefing and hire of all necessary equipment
