 Full regulation field (200' x 80')

WTAMU Soccer Complex

The West Texas A&M University Soccer Complex combines three regulation size soccer fields, with one main field with bleachers capable of holding 1,000 fans. The main field has a secured perimeter for ticket-entry purposes. An electronic scoreboard is stationed to the northeast side of the main field. During the academic year, both the WTAMU men's and woman's soccer teams compete on the main field.

College Fields

The West Texas A&M Baseball Complex built in 1994, seats over 900 fans comfortably. It has recessed dugouts for both teams, a press box with phone line and inning-by-inning scoreboard. The field dimensions are 330 feet down the lines, 365 to the gap and 400 to straight away center. The fence is eight-foot high, except in the straight away center where it is 16 feet in height.
