

Grapevine Heritage Foundation Photographer Membership Application and Policy for Nash Farm

Nash Farm is supported by Grapevine Heritage Foundation membership. Photographers wanting to use the site must become a member of the Grapevine Heritage Foundation at the \$250 level within each membership year. GHF photographer members will be provided a media badge, which must be present with the photographer when taking photographs at Nash Farm.

Policy to wit:

Any persons visiting the farm for the sole purpose of taking pictures, for a photo shoot, are required to have a photographer's membership with the Grapevine Heritage Foundation. Staff is not responsible for determining who is or is not a professional photographer. Professional and amateur photographers should follow the same guidelines. Any persons visiting the farm for recreation or educational purposes that happen to take pictures of the site or themselves are not required to have said membership. Photographers, with a current membership, must make an appointment for each shoot.

Guidelines are as follows:

1. Parking is permitted only in designated parking areas (Homestead Drive or the Botanical Gardens parking lot).
2. Photographers and/or their group should not disrupt Nash Farm visitors, equipment or animals in any way. Be aware there may be tours, events or other scheduled activities at the farm that have precedence over the site.
3. Photographers must notify Grapevine Heritage Foundation staff in advance of the desired dates and times to be on the property by making an appointment. Photo shoots may not be held during any other scheduled Nash Farm activity.
4. Photos must be taken during regular Nash Farm hours, as posted.
5. No tripods or monopods are allowed in any buildings or on any equipment; and are not allowed to block pathways.
6. Indoor photo shoots are only allowed as a rental and should be arranged with staff.
7. Photographers are required to clean up after the photo shoot and leave the site as it was found upon arrival. Equipment may not be moved for photos and all props that are brought must be taken away after the shoot is concluded.
8. The Grapevine Heritage Foundation, Nash Farm, staff or officers are not responsible for personal injury, property damage or theft of personal property.
9. Failure to follow this policy may be grounds to have membership revoked.
10. Anyone found to be non-compliant with this policy will be asked to leave the grounds.

I, (_____), have read and agree to the above policy.
