

KELOWNA, BRITISH COLUMBIA

"My 4 year old son said, "Kelowna is pretty. Pretty like Wonder Woman."
Might be something to use in your marketing."

Free Your Spirit in Kelowna

Every inch a city, and yet every bit as scenic and abundant as wine country can be, Kelowna is the perfect balance for the traveler in search of boutique experiences. Beaches and fruit stands, wineries and fairways, hiking trails and "boulderfields", and miles of singletrack encircle the city. Lakeside, even the main street ends at a beach.
