ADDENDUM NO. 2

ISSUED August 22, 2016

This addendum includes the following:

Questions/Clarifications

Item No. 1: The current advertisement states that “*Any firm or individual, as prime consultant or as a sub-consultant, desiring to provide professional services to Palm Beach County must be Consultant’s Competitive Negotiations Act (CCNA) certified **prior** to submission of qualifications...*”

Due to the overwhelming demand for certification, the requirement to be certified prior to the submission is hereby lifted. If final CCNA certification has been obtained, proposers are asked to provide the approval in their submittal. If the proposer has submitted the appropriate paperwork for certification but has not received the approval prior to the submittal due date of August 23, 2016, the proposer must provide proof that the application has been submitted prior to the submittal date.
