

# Meet

## THE BOARD

VisitRichmondVA.com

**How long have you lived in the Richmond Region?**

In total, 33 years. No matter where I have lived, I always come back to RVA.

**Where are you originally from?**

Montpelier, VA

**What do you see as one of the Region's best assets?**

I can't choose one asset, as the multitude is what makes the region so incredible! The arts and culture, the variety of outdoor activities, fabulous restaurants, the proximity to the ocean, mountains and nation's capital. The list goes on and on.

**What are some of your favorite places to take out-of-town guests?**

Carytown, Maymont, Ashland (Homemades by Suzanne, Center of the Universe Brewing), VMFA, Lewis Ginter Botanical Gardens and the Poe Museum.

**What is one of the biggest changes you've seen in the Region over the last few years?**

We've seen the addition of some great chefs to the area, which has enhanced the restaurant scene.

**What has been one of the RRT Board's greatest accomplishments during your tenure?**

I've only been a member since late January of 2014, but we're making progress on some key initiatives.

**What makes the Richmond Region so easy to love?**

The people and having a climate with four seasons.
