# Forest City Beautiful presents: Sculpture Stroll

featuring Boaz Vaadia and Hans Van de Bovenkamp

# Yo'ah with Dog

#### Boaz Vaadia

In the sunlight, this sculpture practically glows! This is a great view along Main Street among all the flowers and trees.

# Oracle

#### Hans Van de Bovenkamp

The stainless steel of the sculpture contrasts perfectly to the flowery bed in which it majestically stands.

#### **Red Trunk**

### Hans Van de Bovenkamp

You cannot miss this bright. red sculpture when entering the downtown area. The hue resembles that of Rockford's own Symbol!

# Ba'al & Yizhaq

#### Boaz Vaadia

Strike a pose with these two complex statues as you stroll by them on Main Street.

# Asa & Yehoshafat with Dog

#### Boaz Vaadia

Vaadia's inspiration comes om the earth, which is by he uses bluestone to create his unique and distinct sculptures.

# **Montauk Sun & Moon**

#### Hans Van de Bovenkamp

This particular sculpture has many different shapes to it - every angle is another surprise!

#### Ah'av

#### Boaz Vaadia

Only a hammer and chisel are used to create these layer-upon-layer stone sculptures.

# **Elephant Heart**

# Hans Van de Bovenkamp

Although it may appear unsteady, this metallic sculpture is perfectly balanced

# **About the Installation**

Rockford Area Convention & Visitors Bureau is excited to have world-class sculptures in downtown Rockford from June 2015 - June 2017. A full walking tour of the sculptures takes about 20 minutes without stops. We encourage you to stop at downtown restaurants and shops during your stroll!

We hope you share your thoughts and photos of the sculptures using #gorockford and #sculpturestroll.

For more information about the sculptures, including information about the artists, go to

www.gorockford.com/publicart

# Sagg Portal #6

## Hans Van de Bovenkamp

This large piece you can walk under is a spectacular entrance to the Esplanade right along the Rock River.
