

FILM PERMITS

Lindon

Filming in Lindon is **only** allowed in commercial and industrial city zones. No permit is required. You will need to get the permission of the property owner. If you will be cutting off public right-of-way during the shoot, you will need to contact the city. It is **not** allowed to film in residential zones. If you have any questions, contact Adam Cowie in the Planning & Zoning office at 801-785-5043.
